PUBLIC ACCESS OF BAITS ONLINE

The public is informed that BATTS is temporarily down due to technical problems. Therefore, services such as movement permit request and animal registration are not available online. The public is advised to seek assistance on these activities at the nearest veterinary offices until the situation is normalized.

For further inquiries, please contact your local district veterinary offices or call toll free number 17755.

Thank you.

Yours faithfully

L. G. Modisa

Director of Veterinary Services.
