

PRESS RELEASE

STANDARDS (IMPORT INSPECTION) REGULATIONS, 2008:

The Botswana Bureau of Standards (BOBS) wishes to remind the public, the business community and stakeholders affected by Botswana standards BOS 65-1:2003 Reconditioning of firefighting equipment - Part 1: Portable rechargeable fire extinguishers, and BOS 65-2:2003 Reconditioning of fire equipment - Part 2: Fire hose reels; that enforcement of these standards is mandatory and is continuing countrywide.

The standards cover administrative and technical details as well as controls applicable to the effective reconditioning of any portable rechargeable fire extinguishers and fire hose reels. The standards cover fire extinguishers and fire hose reels that have been removed from service and presented for reconditioning and returned to service afterwards.

In order to enhance compliance with BOS 65 -1 & 2, BOBS wishes to inform all the affected parties that the below listed companies have been officially registered with BOBS to conduct reconditioning of portable rechargeable fire extinguishers and fire hose reels with effect from the **1st April 2017**.

- **LSC Risk & Security Solutions (Pty) Ltd**
- **Fire Logistics & Security Systems (Pty) Ltd**
- **Fire Suppression & Electrical Systems (Pty) Ltd**
- **Fire Risk Control & Security Systems (Pty) Ltd**
- **Fire Boys (Pty) Ltd**
- **Fire Tech & Products (Pty) Ltd**
- **Fire Fighting Products & Services (Pty) Ltd**

Also, be informed that the process of application for registration continues and therefore the above list may change from time to time.
