PRESS RELEASE

TEMPORARY CLOSURE OF SOME BORDER POSTS

The Ministry of Nationality Immigration and Gender Affairs informs the general public that five (5) border posts have been affected by the floods that have occurred across the country and as a result have been temporarily closed until further notice.

The situation at the affected border posts is as follows:

Border Posts	Situation
Mabolwe	Water level very high. The border is closed
Pont Drift	Travellers only using cable cars to cross
Phitshane Molopo	Water level high. The border is closed
Tshidilamolomo	Water level high. The border is closed
Bray	Water level high. Border is closed

The ministry therefore advises the public to use alternative border posts. The ministry will continue to monitor and update the public on the situation.

Thank you.
